

Social Services Appropriations Subcommittee

The tentative schedule includes daily public input, subject to the chairs' discretion, at the beginning of each meeting for the items on the agenda. Those wishing to be considered for testifying must contact Debbie Benson before 1 p.m. on the working day before the scheduled meeting at 801-326-1698 to be considered. The chairs have asked that requestors of funding provide a detailed and itemized budget indicating how they would spend the money, within the specified timeframe, and how they would measure success. Requestors without this information will be asked to return once they provide it. All appropriations must be made to state agencies. State agencies must follow state procurement laws which require competitive bids, requests for proposal, or sole source determination.
